

SEMIPERM
We grow here
A project of Settlement Housing Fund

August 3, 2012

Dear Applicant,

Thank you for your interest in Semiperm. We offer a unique program that provides supportive services and transformational housing to motivated single-parent families. Semiperm has a multi-step application process which allows you to understand the program and decide if you are ready to commit to it.

The first step is to attend our informational session. This presentation includes an introduction to our program and guidelines, information regarding the application process, and a first look at Semiperm. We will also distribute our application packages. **The only way to apply to Semiperm is to attend one of our sessions.**

The next informational session will be on September 18, 2012 at 11:00am SHARP. The location of the session will be:

**Semiperm, HDFC
210 West 102nd Street
1st Floor Community Room
New York, NY 10025**

The informational session will last approximately one (1) hour and **childcare will not be provided.** Please contact Kristin Brett, Program Assistant, at (212)222-3673 x 14 if you have any questions.

Thank you for your interest in Semiperm.

Sincerely,

Semiperm HDFC Management
